STATINTL

Filed recruitment requests against all existing vacancies in the Division. Have requested recruitment of [REDACTED] for the GS-14 slot in the Exec, Admin, and Sup Tr Br. It appears that we may have some difficulty with Personnel in bringing him in at the grade level necessary, - GS-13. [REDACTED] is the only possibility for this position to date that really looks good.

Attended meeting of panel to select a candidate for the next Advanced Management course at the Harvard Business School.

II. Developing Plans

OSI has indicated active interest in the Human Resources Program. Shall follow up this inquiry soon.

Planning to check in with the Office of Industrial Research, Navy Department, to see what they are doing in terms of management training.
